

LETTER OF COMPATIBILITY

Mr. Alex Dunphy Chief Executive Officer
Adaptiiv Medical Technologies, Inc.
906-1969 Upper Water Street
Halifax, NS, Canada B3J 3R7

Dear Mr. Dunphy,

I am writing to inform you that Varian has successfully completed the compatibility testing identified below in accordance with Varian’s Verification Process for use of Adaptiiv 3D Printing solutions with the following Varian Products:

- Varian Products: Eclipse
- Adaptiiv Products: 3D Bolus and 3D Brachytherapy

Varian verified that Eclipse does not experience any functional changes when Adaptiiv products are installed on the Eclipse workstation (both dose calculating and non-calculating configurations). Please note: This notice only applies to Eclipse workstations installed within the clinical environment (on-premise).

Product line	Version	Compatibility
